

*This day men were first
sent through space and landed
on a satellite. Now it now
can "gaze" at each other with
a "wild surmise" as to
what future travel in space
may bring.*

Hon. John Gorton, Prime Minister of Australia
Apollo 11 Moon landing - 21st July 1969

HONEYSUCKLE CREEK

TRACKING STATION • 1967 - 17 MARCH - 2017
