2019 SIX COIN YEAR SETS

## 50TH ANNIVERSARY OF THE MOON LANDING

10091

10076

In 2019, the Royal Australian Mint commemorates the 50th anniversary of the historic Apollo 11 mission, when astronauts Neil Armstrong, 'Buzz' Aldrin and Michael Collins flew to the Moon, and Armstrong and Aldrin became the first humans to walk on the Moon's surface. These magnificent 2019 Proof and Uncirculated Six Coin Year Sets feature two unique designs depicting the landing site on the Moon and the historic Honeysuckle Creek antenna.

**These sets are a striking memento for aerospace or science enthusiasts and a must have for all those who remember being glued to the television in 1969. Secure these beautiful sets today!**
