Most (but not all) of the Honeysuckle team for Apollo 11 – photo taken soon after the mission.

Not in photo: Hamish Lindsay (behind the camera!), John Saxon, Ian Grant, Andrew Tupalski, Tony Gerada, Vic Burman, and many others (we'll add those names when possible).

With thanks to John Saxon, Mike Dinn, Bryan Sullivan, Ken Sheridan, Martin Geasley, Paula Denning, Tony Gerada, Ian Mackay, and others.
